### 2019 Custom Pre-Pricing Service

Millcreek Gardens LLC offers a Custom Pre-Pricing Service for our retail garden center customers. This service saves you time, and adds value, by enabling you to place pre-priced plant material directly onto your sales benches from our delivery truck. This will free your employees of the hassle of having to price the plants, thus enabling them to tend to other tasks. With this service, we apply adhesive stickers to the containers on your order before shipment for a nominal charge.

We will design, print, and apply stickers to the containers on your order for a nominal charge. These stickers are custom designed for you and include various fields of information that you designate. You may select various fields to print on the stickers, such as your Logo, Business Name, Retail Price, UPC, SKU, Picture, etc. The fields available vary depending on the size of the sticker you select. We have two sizes of stickers available: a 2 x 2" sticker available in black and white, and a 3 x 4" sticker available in color. If you are interested in this service, please contact us to obtain the Custom Pre-Pricing Enrollment Form(s). We now also offer printed stickers only. If you enroll in stickers only we will print adhesive labels for your order and ship them to you with your plant material. The stickers will not be applied to the container.

**If you have a POS system and scan bar-codes at check out, please consider that our perennials and herbs have plastic Millcreek Custom Picture Tags that already contain a unique barcode.** We will be happy to provide you with an Excel spreadsheet with plant names and UPC information so you may easily update your POS scanning system.

**There is a \$75 label design and setup fee per Customer account.**

#### Pre-Pricing Service Requirements

1. You must complete our Pre-Pricing Service Enrollment Form.
  - You will need to complete an enrollment form for each size sticker you wish to have applied.
  - Enrollment Forms must be received 14 days prior to your scheduled shipment.
2. Our Retail Pricing Declaration Form must be completed. This notifies us of your retail price points based on each of our wholesale size and price categories. *If your company assigns retail prices individually by item (not in groups by wholesale price) please contact us for a spreadsheet that you can use to enter unique retail price by item).*

#### Please note:

- We calculate the total cost for the Pre-Pricing Service for the shipment by multiplying the number of pots labeled on the order by the applicable Pre-Pricing Service charge. This charge will be noted on the Invoice as "Custom Pre-Pricing". *Quantity discounts do not apply to the Pre-pricing Service.*
- When providing the Pre-Pricing Service, we will do our utmost to assure that the proper labels will be on the plants. However, we cannot be liable for any amount greater than the Pre-Pricing Service charge on that invoice if the incorrect labels are applied.
- The Pre-Pricing Service Charge will be in addition to any other Special Handling Charges that may also apply, such as charges for broken flats, etc.
